

Louisiana State Documents Depository Program

Monthly Shipping List

April 2004

The Recorder of Documents Office is adding a field to the State Library catalog records for Louisiana state documents. The 592 Current Agency Name field is used for the hierarchical name of the agency at this point in time. We are trying to be consistent. We are not trying to match the authority name. When a name changes, we will move the old name to a 591 Depository Note field then put the new name in the 592 field. The purpose of this new field is to be able to extract from the catalog a list of the publications each agency has submitted in the last 6 to 12 months. This list will go to the agency with the Recorder's semi-annual letter to agencies, reminding everyone to send in their public documents.

Commuter Lines is a newsletter published quarterly by DOTD for its employees. The first online issue is Winter 2003 v. 11, no. 1

http://www.dotd.state.la.us/press/nl_archive.asp As an internal newsletter, this is not a public document. It is listed here as an FYI.

The Board of Elementary and Secondary Education, BESE, board *Minutes* are not on their website at this time because they are distributed by a paid subscription fee of \$100/yr. The Recorder's Office continues to receive 3 paper copies which are distributed to the 3 historical depository libraries. Contact Sharon Gilbert, Sharon.Gilbert@LA.GOV, to subscribe to direct email delivery.

Single Audit Report for the years ended June 30, 2000 and 2003 were distributed in this April shipment. This is an annual report. The Legislative Auditor's office has reports back through the year ended June 30, 1983, which is probably when it began. Let Foos know if you want old reports and which ones you need. I will order them all at once. Please let me know by June 1, 2004.
