

Louisiana State Documents Depository Program

Monthly Shipping List

June 2004

The June 2004 list includes legislative bills, resolutions, and official journals which were mailed separately from the regular shipments of state documents.

LaDoc numbers for University of New Orleans publications are sort of a problem right now. There are lots of brochures and other materials that have been assigned EL 500.2: then alphabetic cutter. There has been much duplication of numbers and we are simply running out of 2 digit cutters. From this point forward, titles will be classified by college, department, office, etc. You will see more new numbers assigned in this pattern. New editions will remain in the older number unless the number has been used for other titles too. If you want to pull together older materials from an entity under a new number, I can help you identify them. However, most items appear to be ephemeral and, as you know, this consolidation and reclassifying would be quite time consuming. The June shipment includes new numbers for the Dept. of Electrical Engineering (EL 573), Dept. of Chemistry (EL 574) and the Office of Disability Services (EL 538).

Louisiana State Government Telephone Directory 2004 edition, released June 2004, is 100 pages. It is only available in electronic format thus will not be distributed as a tangible document. Go 100.9/2: date.

Northwestern State University Alumni Columns Magazine: 6/2004 MSL, the Spring and Summer 2004 issues should be vol. 14, no. 1 and no. 2 instead of vol. 9.

The Department of Social Services plans and other reports about Title IV parts B, D and E have been assigned a variety of LaDoc numbers over the years. Most were HW 30.8p: but vary after that. Some Title IV-D were HW 1.8p: CS/date. If you want to pull the parts together, we are suggesting this:

HW 30.8p: CS/date for Title IV-D reports [child support, etc.]

HW 30.8p: CW/date for Title IV-B reports [child welfare]

HW 30.8p: FC/date for Title IV-E reports [foster care]

HW 30.8p: CFS/date for Title IV-B & E reports [B & E combined in 1 report]

It will be a big job to identify these titles and pull them all together, especially if you go back prior to Title IV. We will use this breakdown from now on and try to cite earlier LaDoc numbers.

The Department of Corrections newsletter, *DOC NewsLine*, was revived in 2001 or 2003, beginning the volume numbering with vol. 1, as an electronic-only publication. The archives are at

The LaDoc number is I 1.7/5: date

We just discovered that sometimes over the years, we have assigned an incorrect date to the *Statewide Report of Registered Voters as of* [month, day, year] from the (former) Dept. of Elections and Registration, SR 1.7: date. This is a core title. It is published quarterly, dated the last business day of the quarter. This means the date will be March or April, June or July, September or October, and December. We have occasionally used a January date or the date of a cover memo. We are determined to be consistently correct from now on to list the date specified in the title which is the date of the data in the report. If it seems necessary, we will also list the publication date but in parentheses.

I don't like to bring up the Bossier Parish Community College class schedule/academic bulletin again because I thought I had it all sorted out 6/2003 when I wrote:

correct LaDoc number for Academic Bulletin is ES 180.3: Ac/yr/semester. LaDoc ES 180.3/1 was incorrectly assigned to Academic Bulletin in 3/03. LaDoc ES 180.3/1: yr/semester is for Schedule of Classes [without Academic Bulletin]. Sometimes in the past, ES 180.3: yr/semester has been incorrectly assigned to this Schedule of Classes.

In 6/2004 we received the Class Schedule Fall 2004 that says 'academic bulletin/schedule of classes' at the bottom of page 1 in tiny print. We also got the Summer Schedule 2004 which has no mention of 'academic bulletin' yet the content is the same as the fall document. The BPCC Admissions Office said the two publications are intended to be the same series.

Here is the title history:

- 1998, 1999, spring and summer 2003: Academic Bulletin cover title.
- 2000 summer – 2002: BRCC xxx Semester cover title.
- 2003 fall: Class Schedule cover title with Academic Bulletin at bottom of page 1.
- 2004 spring: Class Schedule cover title without Academic Bulletin at bottom of page 1.
- 2004 summer: Schedule cover title.
- 2004 fall: Class Schedule cover title with Academic Bulletin at bottom of page 1.

I now believe that these are all the same item and certainly serve the same purpose to the users. If you have renumbered everything to ES 180.3: Ac/yr/semester, you can put the class schedules and schedules in there too. This LaDoc, ES 180.3: Ac/yr/semester, is what we will use from now on (I say this with the best intentions).

We will no longer use ES 180.3/1: yr/semester for Class schedules, Schedules or Academic Bulletins.
There is also a biennial Catalog which is and will remain ES 180.3: date.
