Monthly Shipping List

October 2004

The Oct MSL contains website printouts of Louisiana Technical College programs. You may want to add the URL and the statement "printed Oct. 2004" to each of them. The main URL is http://www.ltc.edu/diploma_programs.htm. Each subject printout has its own URL, linked from the main one. Ascension Campus sent these printouts so only subjects offered by that campus are included. The main and subject URLs are on the website for the entire La Technical College. The Developmental Studies page has been updated since the printout was downloaded so the documents is a little different from the screen.

Several DOE Office of Vocational Education items were given duplicate LaDoc numbers during the years 1977-1991. Below are new call numbers if you want to avoid the duplication. The DOE OVE became Career & Technical Education some time prior to 2003.
