

# Louisiana State Documents Depository Program

## Monthly Shipping List

### March 2005

This item is in this March shipment. PW 1.5: Pr/date **Procurement** docs from [http://www.dotd.louisiana.gov/mgmt\\_finance/procurement/home.asp](http://www.dotd.louisiana.gov/mgmt_finance/procurement/home.asp). 2005

The agency sent entire printout of this section of the website; these parts are state documents: Vendor Center Introduction, How to do Business, Maps.

The following sections are available elsewhere so are not depository state docs: Procurement Code, Executive Order, LAC Rules and Regulations, Statutes, Vendor Registration, forms, Commodity Listing. [Note: agency printouts cut off a little bit of right margin, including revision date] Depository libraries can keep the entire package together or discard the sections that are not within the definition of depository state documents.

If you want to print out sections with right margin full text, in your Print Setup, narrow the right margin to .3.

The Dept. of Education is issuing Louisiana first-time college freshmen reports only as electronic documents beginning with 2003 data. This includes the State Report and each of the more detailed reports: Public Schools/Public High Schools; Public School Districts; Nonpublic High Schools/Schools; Catholic High Schools; Diocesans; Colleges/Universities.

In the past, the depository program only received copies of the State Report, not of the detailed, more specific reports. We printed out 1 copy of the 2003 State Report and 1 of each detailed report on the website. The reports range from 14 to 1003 pages long. We will archive the electronic documents when we get that program up and running. We plan to continue to print out 1 copy of each issue, which will be filed in the State Library Louisiana collection. DOE will not print out paper copies on request; they refer people to the website.
