Depository Note: 6/3/03: HR Handbook Notifications: Standard distribution becomes e-mail; anyone can sign up for automatic, electronic receipt. Depository Note: 5/2005: The last full edition of the Handbook was 1994. From website:

"The new Human Resources Handbook... has been created for the purpose of eventually replacing the State Personnel Manual. We are replacing the Personnel Manual in segments. As new topics are updated they will be added to the Handbook on this [web]site. Since it may be some time before this Handbook is entirely completed, please continue to refer to the old Personnel Manual for information on topics that have not yet

been added to the Table of Contents below [on the website]." From Civil Service: The terms Personnel Manual and HR Manual [Handbook] are used interchangeably. The Louisiana State Personnel Manual is being replaced but this will not occur all at once. As portions of the manual are replaced, those sections will be added to the online Human Resources Handbook. At some point, the HR Handbook will completely replace the manual, but for the time being, both are used as a resource to the State's Human Resource Offices.
