Monthly Shipping List  
November 2006**

Kudos for the many years of Nicholls yearbook, La Pirogue, goes to **Lynette Tamplain**, the great new state docs person. I mistakenly credited this to Northwestern in the Oct MSL. Lynette submitted 1 copy of the student yearbook going back to 1955. These had never been in the depository program before. Some universities willing submit their yearbooks while a few just refuse to because these are fundraisers. Yearbooks are state docs and we are so pleased to have the La Pirogue editions thanks to Lynette's efforts.

Safe Kids director sent this message: we have not put out a newsletter since before the hurricane. I am driving back and forth everyday from Baton Rouge. The OPH portion of Safe Kids is not up and running yet. I am working on getting the website back up and running. We will also be getting the newsletter on the website. I will let you know when it all happens.

From DEQ; added to State Library catalog records:

Toxics Release Inventory (TRI) reports were published in hard copy for 1988-2000.

2001 was the first year of the consolidated report, The Louisiana Environmental Inventory Report (LEI), including TRI, Emissions Inventory (EI) and Toxic Emissions Data Inventory (TEDI) data. Paper and electronic versions.

2002 was the second year of the LEI Report. Paper and electronic versions of both 2001 and 2002 were made available to the public. [Foos: I cannot find that we received 2002 but DEQ says they sent it; we will get copies if 2002 was not received/distributed. **Did you get 2002????\*\*\*\*\***]

2003 was the third (and last) year of the consolidated LEI Report and was electronic only. *However, only the 2003 TEDI data is available now on the web.* [rest of LEI Reports were lost from website when website was redesigned]

2004 TRI and 2004 TEDI annual data are on the web under links on the Air Quality Assessment Division homepage. Electronic only.

2005 has yet to be published for either data set. They will be electronic only.

The content of reports has been reduced in recent years due to budget cuts.

[Foos: all reports in electronic format will be digitized into our archive, linked from State Library catalog. The existing catalog records will be revised to reflect the reemergence of the title, TRI, and LEI ceased.]

In the 852 field (date of publication) in MARC record, when possible for serials with frequency of monthly or longer, we are dropping the day date, leaving the month & year dates. Here is the history: 9/23/03: Foos decided to use only month and year for dates of workshops, commencement, etc. that have a day date. Ex: May 2001 instead of May 24-25, 2001. So, Foos has been dropping the day date from most LaDoc numbers anyway.

12/2006: We will not include the day date if it is not needed in serials, e.g. monthly issues are OK with just month/year date. Reason: The State Library catalog serials module needs a lot of manual entry when you use a full date since the module will try to put in its own date. We will leave day date in if it is needed to distinguish between different items.

\*\*\*PLEASE let me know right away if this is a problem for you depository libraries.

Here is a note I recently added to the State Library catalog records for PDs and OPs. You might want to do something similar. I also added the URLs for the online bibliographies and the catalog.

11/2006: Public Documents, semi-annual cumulative bibliographies known as PDs, are superseded by 5-year cumulative bibliographies, Official Publications, know as OPs.

PDs cumulate Monthly Shipping Lists. All three bibliographies list the items submitted to the Louisiana State Documents Depository Program. All items received, beginning with Jan. 2003, are included in the State Library of Louisiana catalog which serves as an index and official bibliography of Louisiana public documents 2003- .

We had not received La driver's manuals/guides in several years so we contacted the Office of Motor Vehicles. A few copies of these are in Nov. MSL. Full/more copies will be in Dec. MSL:

PS 10.5: Dr 2/1989 *Louisiana driver's guide* : "Spanish version". Agency said no foreign language version of the Louisiana driver's guide had been published in many years.

PS 10.5: *Louisiana driver's manual for commercial vehicle driver licensing* [core title]. This takes about 5 minutes to download the online version so I have asked the State Library to harvest this into our Digital Archive. Watch for DA URL in the catalog record before too long; hope it will download faster for library users.

PS 10.5: *Louisiana driver's guide for classes "D" and "E"* [core title]. Watch for DA URL in the catalog record before too long.

PS 10.5: Mo/date Motorcycle operator manual. Sent only 9 copies.

1/2007: Nunez says "Our catalog and schedule are basically Internet-only. Although we do print out quite a number of copies, we haven't bound them or anything of that nature." I have added this info and the URLs to the State Library catalog records. I have also asked them to print out 3 copies for historical depositories to archive.

State Library staff wants to shorten the notes in their catalog records, so they are slowly deleting notes of descriptions of mislabeled issues and periods of non-publication. They should put in some general statement about mislabeling/non-publication. I plan to include the detailed descriptions in that month's MSL and save it permanently in my file so you can contact me in the future. Here is an example of a detailed description and its replacement, LSU Daily Reveille:

Apr. 30, 2003 edition labeled as vol. 107 no. 122 is actually no. 124. Vol. 107, no. 91 labeled Wednesday, Feb. 28, 2003 is actually Friday. Volume 107, no. 97 was not received. Mar. 20, 2003 is noted as a special edition and is not numbered. Vol. 108, no. 101 Mar. 12, 2004 is actually no. 102.

**Louisiana State Documents Depository Program  
Monthly Shipping List  
November 2006**

Vol. 108, no. 125 Apr. 22, 2004 was mislabeled no. 111. Aug. 18, 2004 special edition has subtitle: etc... freshman orientation guide); page 3 is labeled 2003. No issues published 9/15-16/2004 because of hurricane threat. Oct. 6, 2004 and Oct. 12, 2004 issues are both labeled as issue number 28. Vol. 109 no. 137 was June 28, 2005 but incorrectly labeled July 28. Vol. 110, June 22 and June 27, 2006 both are labeled no. 142. For vol. 111 Sept. 2006, 20 and 21 issue numbers were not used. Vol. 111 no. 32, Oct. 11, 2006 was mislabeled as no. 31.

Replaced by: 12/2006: Some issues mislabeled, some volume, issue and/or dates were not used.

No issues published 9/15-16/2004 because of hurricane threat.

IS IT IMPORTANT TO YOU TO HAVE THE ERRORS LISTED IN CATALOG RECORD NOTES?\*\*\* Please let me know right away.

After the Oct MSL was issued, we heard from Grambling that the university's slogan "Take a closer look" was in 2004. The Oct. MSL had several items with this slogan that we listed as 2006? These are the titles that should have 2004 publication date:

Depository Note: 5/2005: The last full edition of the Handbook was 1994. From website:

"The new Human Resources Handbook... has been created for the purpose of eventually replacing the State Personnel Manual. We are replacing the Personnel Manual in segments. As new topics are updated they will be added to the Handbook on this [web]site. Since it may be some time before this Handbook is entirely completed, please continue to refer to the old Personnel Manual for information on topics that have not yet been added to the Table of Contents below [on the website]." From Civil Service: The terms Personnel Manual and HR Manual [Handbook] are used interchangeably. The Louisiana State Personnel Manual is being replaced but this will not occur all at once. As portions of the manual are replaced, those sections will be added to the online Human Resources Handbook. At some point, the HR Handbook will completely replace the
