

Louisiana State Documents Depository Program Monthly Shipping List April 2006

2006 Roster of officials of the state of Louisiana is distributed this month. I am again recommending you continue to **keep the 2002 edition**. The 2004 and 2006 editions section of boards and commissions list only address, phone and enabling legislation. It does not list oversight agency, names of officers or members, or web address. The agency data is in the Auditor's report: Boards, Commissions, and Like Entities, <http://www.lla.state.la.us/bdcomm.pdf>. Names of officers and members are in the Senate Louisiana Boards and Commissions Database, <http://www.legis.state.la.us/boards/boardsearch.asp>

Beginning about 2004, the State Library began cataloging as monographs all legislative audit reports that were not the regular financial audit. Before that, when the title was the same, we had included procedural audits and other types in the main audit record. Well, we are going back to the earlier practice of including various types of audits on the main financial audit record... at least for as long as we can get away with it.

At repeat from March MSL: Board/commission minutes [the big confusion caused by me continues]

We sent semi-annual letters to many boards and commissions in Nov. 2004. Those that responded usually supplied the full number of copies of the minutes. It turned out to be LOTS of minutes even though we have not gotten minutes from all of the 260+ boards and commissions; some meet monthly.

The law says the Recorder of Documents can 'adjust' the number of copies required so in late Jan., I decided to only distribute 3 copies for some of the boards/commissions. The 3 copies were distributed to State Library, LSU-BR and La Tech, the historical depositories, to file/archive.

On Feb 7, I had 2nd thoughts so I polled several depositories that selected to get minutes from agencies, especially port/levee boards. I heard back from 4 of the 7: two law libraries wanted ports/levees and some others; 1 public library did not want any; 1 academic library could live without minutes but would like BESE minutes online [BESE only submits 2 or 3 copies and does not put their minutes online].

We distributing all copies we receive in Feb. and March. This, with some of ones you received in Jan., will give you an idea of the volume of minutes coming in.

***** AFTER YOU RECEIVE THE MARCH SHIPMENT, LET ME KNOW IF YOU WANT TO CONTINUE TO GET BOARD/COMMISSION MINUTES.***and which ones if it is only a few.***Send this info to me by May 9, Tuesday, please.**

Your input will be added to the May 12 La State Docs Depository Advisory Council meeting discussion. WE NEED TO HEAR FROM YOU.

I suggest you do not process the minutes you receive in Jan, Feb & March until May when we make a decision on the number of copies. A decision will be made then on what to do about previous issues if we go to only 3 copies. Please call if you need clarification.

Here are most of the agencies with minutes for which we may have distributed only 3 copies but received more:

Greater Baton Rouge Port Commission
State Employees' Retirement System
Board for Hearing Aid Dealers
Assessors' Retirement Fund Board of Trustees

FYI - Paulette Jackson, Tax Review Officer, Office of Legislative Auditor, participated in presentations in conjunction with the tax assessors. She gave out a booklet "Administrative Process of Adopting a Millage." The booklet was put together by her office for workshops they conducted around the state so it does not qualify as a state depository document. The booklet consists of a *power point* slide show, index, and relevant millage documents in the appendices. You may print the entire booklet from their website, www.la.state.la.us, click Tax Review, click Power Point presentation on ad valorem taxes. Paulette has a few tangible copies left, (225) 339-3800.

Bossier Parish Community College Student Handbook and Calendar of Events/Activities Calendar began as 1 publication in 1997/98 [USE ES 180.5: SH/date]. The next issues received by the depository program 2000/2001 when the 2 were published separately. They have been separate since. USE ES 180.5: SH/date for Student Handbooks 2000/01 forward. USE ES 180.8c: Cal/date for all calendars 2000/01 forward. Both handbooks and calendars have formerly been assigned ES 180.8c: date; use this LaDoc only for commencement docs.

Bossier Parish Community College publishes a 10"x6" item almost every year with pretty much the same information. I am pulling them all together under ES 180.7/6: date.
