

**Louisiana State Documents Depository Program**  
**Monthly Shipping List**  
**June 2006**

We got enough copies of the 2005 and 2006 Louisiana citizen awareness & disaster evacuation guide southeast edition for all 41 depository libraries. Go 450.5: CADE/date. Contact your local Red Cross office for additional copies and for the Southwest edition. I was not able to get copies of it here in Baton Rouge.

First edition was 2005, for southeast. 2006 edition labeled vol. 2 had a southeast version and a southwest version. The only other difference between 2005 and 2006 editions was 2006 had an added section on trailer safety. The 2005 edition information is still useful.

In compliance with the Advisory Council decision at the May 2006 meeting, we are now putting in the MSL the number of extra copies of each item that the Records Office receives. These "offers" will not be listed anywhere else and will be available for 3 months after the list month. Most seem to be from academic institutions. I would like to hear feedback on this, e.g. are you using this feature as an acquisition tool.

The Dept of Corrections Office of Information Services supplied detailed info about the Briefing Book PS 1.5: BB/date. I have put most of this in the catalog record depository notes but here it all is:

- Updates are only revised and new pages. Each revision 1st page has statement "Documents in bold are included in this ... update" which means you file the bolded 'sections' as replacement pages in the basic book. The old page can be discarded when the new page is filed.

- Updates have been distributed without a cover or title page; first page usually says "I. Projected Expansions... update." In the future, each revision page will include the title and agency name. The July 2006 edition will be a complete revision, including title page; this will allow each depository to make sure it has a current, complete Book. This will correct the situation because the depository program did not receive the March 2004, Oct & Dec 2005 updates.

- La. Department of Corrections took over publishing the Briefing Book in September, 2000 but their electronic files only go back to Jan 2001. The Briefing Book was done before 2000, but all data was derived and kept manually; the Dept. of Corrections has no record of it.

- Major revisions are done quarterly, however the Book is updated on a monthly basis. Often, 2 months are combined together, but the Quarterly Editions are updated in Jan, Apr, July, and Oct.

EL 34.7/2: date, School of the Coast and Environment newsletter. Depository program received full 13 copies through vol. 11, no. 4 (2005); beginning in 2006 the Depository program will print out 1 copy of each issue to archive. 6/2/06 letter from the editor: the newsletter has been absent but will be reestablished as a monthly electronic newsletter on the website [http://www.sce.lsu.edu/c&e\\_news.htm](http://www.sce.lsu.edu/c&e_news.htm). To subscribe, send your email address to <http://www.sce.lsu.edu/subscribe.asp>.

In the June 2006 shipment are the Louisiana Citizen Awareness & Disaster Evacuation Guide 2005 edition and 2006 Southeast edition. I got 43 copies of each so each depository libraries would have at least one. There is a 2006 Southwest edition but I have not been able to get depository copies. The 2005 edition was only for the southeast

region. The only difference between the 2005 and 2006 editions is the trailer safety section added to 2006. Nunez, St. Tammany, Delgado, and Grambling depository libraries did not select Governor's Office documents so they do not need to keep the guides.

Many depository libraries got 1 copy of The State of Judicial Performance in Louisiana 2002/2003 (Ju 3.1: JP/date) by direct mail from the Supreme Court in Dec. 2004. This agency does this for this publication and for their Annual report, Judicial Council (Ju 2.1: date). In this June 2006 shipment is 1 copy for the State Library and 1 for LSU-BR which will be their 2<sup>nd</sup> copies. The July 2006 *Selection List* will have a separate category for the Judicial Branch. We will then send the Supreme Court liaison a list of the libraries who choose it so their direct mail list will be current.

If you need a 2002/2003 Judicial Performance or the Annual Report, please contact the agency directly: Public Information: Valerie S. Willard, Deputy Judicial Administrator, Louisiana Supreme Court, 400 Royal Street, Suite 1190, New Orleans, LA 70130-8101, 504-310-2550 [vsw@lsjao.org](mailto:vsw@lsjao.org).

Both publications are online so you can print out a copy:

[I did not find the Performance 2002/3 in these catalogs: Delgado, LSU-Eunice (no holdings listed), LSU Law, McNeese]

I uncovered a stack of items that had been stashed in a cubbyhole in 2004 (I think) waiting to get more copies. This is why you will find some older items in this month's list. I apologize for this long delay.

I just discovered we have not gotten current fishing, hunting, etc. regulations from the Dept of Wildlife & Fisheries in several years. I have asked for the current regs plus 3 archive copies of missed editions. You folks should have hollered about not getting these very popular items.

I created a new LaDoc number: OS 17 for the Displaced Persons Commission. According to OP II, it was created by appointment of governor in fall 1949; terminated in 1952. If you have these 2 pubs, here are LaDocs for them.

OS 17.1: date Report. 1950/51 – 1951/52. annual, fiscal years. Mimeographed.

OS 17.2: NA/1950 Displaced persons in Louisiana and Mississippi [by] Rudolf Heberle and Dudley S. Hall. 1950, 93p. Cover title: New Americans; a study of displaced persons in Louisiana and Mississippi. Baton Rouge, 1951.
