In January, the Office of Motor Vehicles submitted extra copies of the drivers' guides/manuals for cars, motorcycles, and commercial vehicles. Let us know if you can use another copy. The Nov. MSL LaDoc corrections are repeated in this MSL.

Motorcycles: In Nov, we distributed 3 copies. In Jan, we distributed 2 copies of motorcycles to every depository in La., thinking you might like to have 2. Not a core title.

Commercial vehicles: core title. In Nov, we distributed 3 copies. In Jan, we distributed 1 copy to every depository; quite a few extra copies left.

Driver's Classes "D" and "E": core title. In Nov, we distributed 4 copies. In Jan, we distributed 1 copy to every depository; 9 extra copies left.

****Please do not just throw away the 2nd or extra copies if you don't need them; offer them on a discard list, give them to a user or something. OMV has cut back on printing, expecting everyone to use the pubs online but the electronic versions are slow.**

LSU Department of Horticulture (Ag 60.) 2/22/07 The Advocate: LSU's horticulture department and the agronomy and environmental management department with become part of the consolidated School of Plant, Environmental and Soil Sciences. Both departments are jointly run by LSU's flagship campus and by the adjacent LSU Agricultural Center. The main campus handles academics, and the Agricultural Center, a separate entity, focuses on research and community assistance. Change is to promote interdisciplinary research.

I created a separate LaDoc number (HW 14) for the Traumatic Head and Spinal Cord Injury Trust Fund Program (THI-SCI), which is used this month and will be in the future. There were a two 1998 items and one 2002 item assigned to HW 15. You can move these to HW 14 or leave them in HW 15. THI-SCI or TH-SCI Fund was created 1993, under Dept. of Social Services, La Rehabilitation Services.

Council for the Development of French in Louisiana (CODOFIL)

I have corrected and/or made unique LaDocs for 3 documents with similar, creative "names" that were all originally assigned some variation of LaDoc EL 500.2: GTFH. The State Library catalog records been revised. Here are the 3 revised/new records:

Depository Note: 6/3/03: HR Handbook Notifications: Standard distribution becomes e-mail; anyone can sign up for automatic, electronic receipt. Depository program will continue to receive tangible, paper copies. Notifications will announce additions or changes to the Human Resources Handbook. "If the communication contained in the transmittal does not contain specific instructions on what pages of the Manual to replace, then... do not place them in the Manual. Pages in the Manual are numbered with a T/S-# and date," indicating what to replace and where to file the updates.

Depository Note: 5/2005: The last full edition of the Handbook was 1994. From website: "The new Human Resources Handbook... has been created for the purpose of eventually replacing the State Personnel Manual. We are replacing the Personnel Manual in segments. As new topics are updated they will be added to the Handbook on this [web]site. Since it may be some time before this Handbook is entirely completed, please continue to refer to the old Personnel Manual for information on topics that have not yet been added to the Table of Contents below [on the website]." From Civil Service: The terms Personnel Manual and HR Manual [Handbook] are used interchangeably. The Louisiana State Personnel Manual is being replaced but this will not occur all at once. As portions of the manual are replaced, those sections will be added to the online Human Resources Handbook. At some point, the HR Handbook will completely replace the manual, but for the time being, both are used as a resource to the State's Human Resource Offices.
