

Louisiana State Documents Depository Program
Monthly Shipping List NOTES
December 2007 Final (188 titles, 360 items)

This is the final Dec 2007 Monthly Shipping List Notes. The only change in the Notes is the number of titles and items count. The final MSList and Notes replace the preliminary versions released Feb. 12. We apologize for the lengthy delay.

The Dept of Natural Resources generously supplied multiple copies of Inherit the Atchafalaya to the State Library and the La State Documents Depository Program. We distributed these to every depository library in the December shipment and to the Louisiana public library system headquarters. If you didn't select to receive DNR publications or are core depository, you do not need to keep this book but please offer your copy on Bayoudoc if you don't add it to your collection. You can purchase additional copies from the ULL Center for Louisiana Studies. Their catalog has an order form <http://cls.louisiana.edu/2007-Catalog.pdf>

The Office of Group Benefits submitted many older documents in Dec. 2007. We had to create catalog records for many because the titles were new to the Depository Program.

Plan Document remains T 2.8L: Me/yr. This title included all of the plans available at that time. Depository Program had previously received T 2.5: GB/yr Board of Trustees State Employees Group Benefits Program, 1988; Plan Document Dec 1993; Apr 1994; July 1993 editions.

PPO Plan Document T 2.8L: PPO/

Both PPO and EPO plans had been cataloged together through 2001/2002 (T 2.8L: Me/yr; control no. ocm31018056) because they were covered in a single document.

Now they are published as separate docs, there is a separate catalog record for each of the 3 titles: Plan Document; EPO Plan Document; PPO Plan Document. Earlier PPO Plan Documents received were July 2000; 2001-2002. The 2003/2004 PPO edition was included in PPO Plan Member Handbook.

EPO plan member handbook: helpful information book, plan document, provider directory T 2.5: EPO/yr

No additional 2003/4 & 2004/5 copies available; no copies available for 2005/2006 or 2006/2007.

EPO Plan Member Handbook contains EPO Provider Directory (T 2.9: EPO/date), EPO Plan Document (T 2.8L: EPO/yr; formerly T 2.8L: Me/yr), Helpful Information Book (T 2.2: He/date).

The 2007/2008 EPO Plan Member Handbook was published/distributed by UnitedHealthcare (not OGB) during annual enrollment. It is not online to the public, however the EPO plan and benefit info are accessible online in sections according to topic via a dedicated website (www.myuhc.com) for OGB plan members enrolled in the EPO plan. Plan members can create an account and then log in with their username and password. Plan members can also use the site to access personal claim and benefit info, find a medical provider, etc.
