Carol Craft, Delgado, reports that she made a copy of the new La State Docs Depository Program logo as large as the size of the copy paper sheet (in color, of course). Posted at the library entrance, she doesn't see how anyone could miss it! Contact the Records Office if you want us to email you the logo to use.

This is for any of you classifying old state docs. There were several other documents about rice prices, markets, etc., each with a separate LaDoc no. See OP IV index. A former recorder wrote this:

A 200.7/20: Louisiana Annual Crop Summary. 1948 – 1952. Also called Annual General Crop Summary; some individual titles: Rice Crop, Hatchery Production; Large Turkey; White-clover Seed Production; Price Report; etc.

Documents about the La National Register of Historic Places have been classified under Ar 1. and CR.5. I will continue to use CR 5.
LaDoc numbers for the Dept of Culture, Recreation & Tourism are: Ar (Arts), C 10 (Tourism), CoP (Parks), CR (Cultural Dev: archaeology, historic preservation), CU (Office of the Secretary), Li (Library), Mu (Museums), GoLG (Lt. Gov.).

The Advisory Commission on Pesticides published Structural pest control law for 1960.

Other years of Structural pest control law were published by Dept. of Ag & Forestry.

All Structural pest control law can be A 470.8L: P/yr (incorrect A 470.8L: SP/yr).

Advisory Commission on Pesticides published Structural Pest Control Rules and Regulations for 1984 & 1999.

Other years of Structural Pest Control Rules and Regulations were published by Dept. of Ag & Forestry.

All Structural Pest Control Rules and Regulations can be A 470.5: SP/date (incorrect A 470.5: AC/date)

For 1960 & 1961 & 1962[or 1963] & 1979, there was a combination of Structural Pest Control Law and Rules and Regulations, all published by Dept. of Ag & Forestry. Can be A 470.8L: P/yr [filed with Law] or A 470.8L: PRR/yr [filed separately] or file Law, Rules/Regs and combination all together under A 470.8L: P/yr.

[If you followed all of that, you deserve a coffee break!]

Here are LaDoc numbers for La State Board of Examiners of Certified Shorthand Reporters committee minutes, for those libraries that want to break them out. If you prefer, you can use the main board LaDoc for all minutes.

OS 12.6: date minutes of Board [or board & committees].

OS 12.6/1: date minutes of Grievance Committee.

OS 12.6/2: date minutes of Disciplinary Committee.

OS 12.6/3: date minutes of Office Administration Committee.

OS 12.6/4: date minutes of Promotion Committee.

Briefing Book, Dept. of Corrections. The Oct. 2006 Update, in the Jan. 2007 shipment, was the **complete** Briefing Book but printed front/back. The Oct 2006 Update in this June 2007 shipment is printed 1 side only and is the **complete** Briefing Book. You can discard the copy you received in the Jan. 2007 shipment. Our agency

liaison sent the new copies because pages printed f/b are difficult to interfile and remove superseded pages.

*****Non-historical depositories can discard everything prior to the Oct 2006 Update because it is a complete book. Then, insert new pages and remove superseded pages into the Oct 2006 "update" beginning with the Jan 2007 Update, then the April 2007 Update, etc. ***Historical depositories (State Library, LSU-BR & LaTech) need to keep all of the updates but not the Oct 2006 Update printed front/back distributed in the Jan. MSL.**

Report of Registered Voters is also known as "Statewide Report of Registered Voters" and Secretary of State website calls it "Report of the Secretary of State." This is a core title. June 30, 2006 was the final issue. The Secretary of State, Voter Registration Office says: *The same information from the quarterlies is in the weekly report, which cumulates, and are on the website, www.geauxvote.com, <http://www.sos.louisiana.gov/elections/elections-index.htm>.*

You will probably want to update your catalog record with this information.

I created a new LaDoc number for Jefferson West Higher Education Center (consortium of University of New Orleans Metropolitan College, Jefferson West Higher Education Center, Delgado Community College, Nicholls State University) <http://www.jeffersonwest.uno.edu>. Note: 6/2006: La. Department of Corrections took over publishing the Briefing Book in September 2000 but their electronic files only go back to Jan 2001. The Briefing Book was done before 2000, but all data was derived and kept manually; the Dept. has no record of it.

Title: **Patates Nouvelles** [electronic resource] / CODOFIL.
Agency: Dept. of Education, Council for the Development of French in Louisiana.
Control No.: ocn145593368
Note: 02/2007: Patates began June of 2004 as a biweekly electronic newsletter; the name changed to Patates Nouvelles with August 14, 2006 issue. Frequency changed to monthly in 2007. The newsletter is not on the website. The "Bulletin du Calendrier CODOFIL" became part of Patates Nouvelles in July 2006 but the calendar is also on the website separately,
<http://www.codofil.org/francais/upcomingevents.html>. One CD contains: Bulletin du Calendrier CODOFIL 2004, 2005 issues; Patates Nouvelles 2006 issues.
Note: 4/2007: From editor: Patates Nouvelles literally means new potatoes. There is an expression in Louisiana French, Lâche pas la patate, which means don't drop the potato or don't give up. Patates Nouvelles is a play on words and can either mean new potatoes or news of the potato. It doesn't translate very well, but we were shooting for the idea of inviting a new expression of the culture.
