Here are 2 Power Point presentations from the Dec 2007 Legislature New Member Orientation. They have great statistics and information so you may want to consider adding them to your collection. Depository Program cannot get tangible copies and presentations are not considered state docs by our definition. I don't know if these will be available in future years. Some of the graphics need color to distinguish segments.

Fiscal facts 07-08, House of Representatives, December 2007 orientation; La. House Legislative Services, Fiscal Division. 131 p. : tables, photos, graphs, maps (color).

At this time, the State Library will not create MARC records for the legislative bills and resolutions. The Records Office created the existing brief records in 2003. You will probably want to improve on them for your catalog if you get the daily bills and resolutions.

Southeast Louisiana Flood Protection Authority-East, PWL 950, began in 1/07. The SLFPA-East covers seven consolidated districts: East Jefferson Levee District, Orleans Levee District (east bank), St. Tammany Levee District, Lake Borgne Basin Levee District, Tangipahoa Levee District, St. John the Baptist Levee District (east side), and St. Charles Levee District (east side). The 7 boards still exist but no longer have boards or minutes. These State Library catalog records now have this added 785 field: Southeast Louisiana Flood Protection Authority. East. \$d New Orleans, La. : Southeast Louisiana Flood Protection Authority - East, 2007- \$t Minutes.

ocm52549102 Regular meeting [minutes] / Board of Commissioners Lake Borgne Basin Levee District. to East.

The Southeastern Dept. of Music & Dramatic Arts submitted lots of programs from their various performances. Working with the State Library Tech Svcs staff, we created cataloger-assigned titles and "consolidated" LaDoc numbers which group the programs into categories by type. This effort is to minimize the number of individual records of somewhat ephemeral materials. The State Library is not doing retrospective conversion of existing items. Here are the categories:

ES 144.8p: Music/yr/mo day for musical performances including opera

ES 144.8p: Dram/yr mo day for dramatic performances/plays

ES 144.8p: Danc/ yr mo day for dance performances

ES 144.8p: Pref/ yr mo day for performances of more than 1 category, e.g. Encore. [\*\*\*The preliminary MSL had the incorrect ES 144.8p: MDD/date]

There are a few docs that can be moved to the new records:

ES 144.7: En/date Encore! Department of Music and Dramatic Arts. Spring 2005. Becomes ES 144.8p: Pref/2005 Spring

ES 144.8p: HSHW/date High School Honors Wind Ensemble and Wind Symphony. Dec 1, 2001. Becomes ES 144.8p: Music/2001 Dec 1

ES 144.8p: IA/date I Am: A Concert of Choreography. Southeastern Louisiana University. Department of Music and Dramatic Arts. Jan18, 2002. Becomes ES 144.8p: Danc/2002 Jan 18.

ES 140.8p: date *Tartuffe* poster was given an incorrect number ES 150.8p: Pref/date. [\*\*\* The preliminary MSL had the incorrect ES 144.8p: MDD/date] The correct number is ES 140.8p: date, for Southeastern Louisiana University. [2/08: can become ES 144.8p: Dram/2002 Mar 20-23p.
