The new miracle at Carville : turning around young lives, building America's workforce (short version) / Wade, Cynthia. – 2006. Short and long versions of video were posted on Rep. Richard Baker's website <http://baker.house.gov/html/multimedia.cfm> 3/08 (January 2007; website removed in Jan or Feb 2008) 1 videotape (10 min.) / LC 4069.4 .N4 2006. This video was distributed to members of Congress. The State Library was able to get 2 copies from Senator Baker's office before the office closed. The person in the office told me she would try to get copies for the Depository Program but none ever arrived before the office closed. Here is a LaDoc to use if you get a copy: M 100.2: NMC/2005. The La National Guard was involved with the video but they never returned my call]
