Livestock Market News remains a separate report. The Depository Program had to request no.1 - no. 12 so assumed the other depository libraries didn't receive them by direct mail either; these will be in Oct 2008 MSL. Discard any duplicates without offering them. In March, the Market News issues had a survey to return if you wanted to continue receiving that title. The agency dropped the depository libraries from the mailing list at that time. From now on, all copies will be submitted to the Records Office to be distributed in monthly shipments.	11 Full	D1
