

Louisiana State Documents Depository Program

Monthly Shipping List

July 2004

The **Roster of Officials of the State of Louisiana** 2004 edition is different from the 2000 one. The 2004 section of boards and commissions lists only address, phone and enabling legislation. It does not list the oversight agency, names of officers or members, or web address. The agency data is in the Auditor's report: *Boards, Commissions, and Like Entities*, <http://www.lla.state.la.us/bdcomm.pdf>. You can search this 547 page electronic document by keyword. Names of officers and members are in the Senate *Louisiana Boards and Commissions Database*, <http://www.legis.state.la.us/boards/boardsearch.asp>

The Louisiana Geological Survey, LSU, has a 2004 publication: *Reprints of Papers About the **Brushy Creek Impact Crater**, St. Helena Parish, Louisiana*, by Paul V. Heinrich. Because it is reprints, it is not officially a state document so there are no depository copies. This title is not yet listed in the LGS catalog of publications. "You can call the LGS at 225-578-5320 and ask for Publications or you can dial Publications directly at 225-578-8590. Please call in your order if you intend to use Mastercard or Visa. You can fax a request to be contacted by the LGS to 225-578-3662. You can email a request to be contacted by the LGS to [Pat O'Neill](mailto:pat@lgs.bri.lsu.edu) pat@lgs.bri.lsu.edu."

Louisiana Energy Facts, a monthly publication from the Department of Natural Resources, Technology Assessment Division, includes an occasional supplement titled: **Louisiana Energy Topic**. The Topic issues are sometimes also published as a separate item. The Topic supplement is cataloged and classified as part of the Facts document by LSU, the State Library and the DEQ library. A unique LaDoc number, NR 1.7/4t: date has been created for *Louisiana Energy Topic* for those who want to file them separately. There is also a companion publication to *Louisiana Energy Facts* titled: *Louisiana Energy Facts Annual*.

Since **Southern University-Baton Rouge** only has LaDoc numbers in ES 150s, each department cannot have its own number in the 150s. This results in many ES 150.2 LaDoc numbers. To avoid duplication, these need to extend to 3 or 4 letters. I will try to use the first 2 letters for the department to pull their docs together. The last 2 letters will be for individual titles. Example: ES 150.2: VPOB/2004 for *Department of Visual & Performing Arts, Speech & Theatre presents Our Boycott, 2004*. Periodicals can stay as ES 150.7/#.
