

*Connect at your convenience...  
it's easy!*

*From any Louisiana public library*

The library staff will gladly show you how to search for the information you need, using computers with Internet access available for free public use.

*From your home or office*

From a computer outside a library, you need Internet access and a library card from your local library.

1. Connect to the Internet.
2. Go to <http://lplibcon.state.lib.la.us>
3. Find your library on the list in the window and click **Select**. Type your card number or password and click **Enter**.
4. Choose from the many resources and begin your search.

*To obtain a library card,  
contact your local library.*
