

Louisiana State Documents Depository Program

Monthly Shipping List

August 2003

The shipping date (08/2003) is not listed for each entry in this monthly list. We hope this will make the issue date easier to identify.

We plan to drop subject headings from the shipping lists beginning with September 2003. Our reasoning is that the subject headings are all in the State Library catalog which is where you will go if you are extracting records or copy cataloging. You can get more complete cataloging for some initially brief records if you wait a few weeks, until the State Library tech services folks have time to expand our brief records.

****Please let us know if it is important to you that the subject headings continue in the monthly lists.**

From LSU Financial Accounting & Reporting Office:

The FY 03 Supplement to the **LSU Financial Report** (containing financial statements for each campus in the LSU System) is available on our website, as of today October 1, 2003. It is our goal to have these statements available by this time every year. As you will see, the LSU System Financial Report is not available at this time.

http://www.fas.lsu.edu/AcctServices/far_b/statements.html

This document is 224 pages without the LSU System report.

The ***Fast Facts and Talking Points*** 2003-2004 (98 p.); Louisiana House of Representatives, House Fiscal Division, is published for distribution for each house member, but it is also available to the public on the Internet. The Poynter Library gets two copies. There were only 175 copies printed and it's considered an internal publication of the House. Individual libraries can probably get copies, but the depository program can not. LaDoc number LL 1.7/3: date is assigned as a convenience to depository libraries.

<http://house.louisiana.gov/housefiscal/2003FastFacts/2003fastfacts.pdf>

DOTD public hearings, meetings, assessments, etc. use PWH 1.2: cuttered by parish. There is a standard list of DOTD parish abbreviations. The practice has been to use letters for both parishes when more than one parish is covered, e.g. SCJe for St Charles and Jefferson parishes. Sometimes, I have used the 1st letter of all 3 if there are 3, e.g. JOSc = Jefferson, Orleans & St Charles parishes.

PWH 1.2: Li has been duplicated. Based on the most past use, I suggest this for future use:

Li Livingston parish [used for Livingston beginning OP VIII]

Lin Lincoln parish [Li used OP VII; all others are Lin]

I suggest not using:

[Liv [Liv used for Livingston parish PD 104 & PD 106;
all others were Li]

Dept of Economic Development. I have compiled a fairly comprehensive electronic list of the LaDoc numbers used for DED and its predecessors 1961

through June 2003. Contact the Recorder's Office for a copy. We decided to revise some LaDoc numbers so the same data, regardless of doc title, could be filed together. These will be listed as applicable new documents are distributed.

9/03 note from the UNO Director of Marketing & Communications: ***Ellipsis*** is a product of the Student Government Association with oversight by the English Department and in earlier years did not go through the Marketing & Communications Department. No file of early issues has been located to provide copies to the state documents depository program.

The Space Science Group at Northwestern State University produces and distributes 6 CDs to help prepare students for **LEAP assessment tests**. The current CDs will only work from September 1, 2003 to October 1, 2004. Because the CDs are programmed for short term use, they are not a practical item for the depository program. This is just an FYI. Information is at <http://www.spacesciencegroup.org/store/default.asp>.

Select Practice Run LEAP21 & GEE21 Math & Science Preparation.

Here are the titles and cost:

[Practice Run 8th Grade Math & Science LEAP Practice License & CD](#) Free

[Practice Run 10th Grade Math & Science GEE Practice License & CD](#) Free

[Practice Run 4th Grade Math & Science LEAP Practice License & CD](#) Free

[Additional Practice Run 10th Grade Math & Science GEE Practice CD](#) \$5.00

[Additional Practice Run 4th Grade Math & Science LEAP Practice CD](#) \$5.00

Some LaDoc numbers for **Legislative Auditor** have been duplicated. To correct this, these extensions will be used for Y 9.2:

Louisiana Recovery District Y 9.2: **RD** (used 1993-1997)

Office of Rural Development Y 9.2: **Rur** (used RD in 1995)

Rapides Parish Police Jury Y 9.2: **RP** (used RD in 8/93]
