This from Southeastern Louisiana University: "The Center for Regional Studies became the Center for Southeast Louisiana Studies in 2000. We publish the '**Centerpiece**' twice a year. Due to staffing changes that took place, we were only able to put out one edition of the "Centerpiece" for 2003. We will hopefully be back on schedule this year with the addition of our new assistant director, Dr. Keith Finley. Please check our website often as we are continually updating our online catalogs."
