We have narrowed our definition of public documents a bit, to exclude items used during internal meetings and presentations. This could be academic classes or agency workshops/meetings. We still consider items distributed broadly to academic students/faculty/staff and to all or many agency employees, e.g. all state employees, to be public documents.

Newsletters are sort of a gray area. We say newsletters are public docs if they are broadly distributed, e.g. to alumni, the public or used for recruiting. Newsletters are not public docs if they are strictly internal news, e.g. for hospital staff. However, we do receive some agency/institution newsletters for staff that we distribute. We will try to always indicate that you can keep or discard them. If you disagree with these definitions, please contact me.

The recorder's office has tried to get copies of the LSU Sports Information Office media guide publications for missing years 1999/00-2001/02 but few were available. We have asked to get more than 2 copies of each in the future.

Act 1364 of 1997 status report [Bohemia Spillway] : by the Board of Levee Commissioners of the Orleans Levee District to the House and Senate Committees on Natural Resources, March 1, 2003 / Orleans Levee District. -- New Orleans: Orleans Levee District, 2003. Annual Report for the Dept. of Labor Office of Workers' Compensation Administration (OWCA), L 40.1: yr, is now only available electronically. The 2002 OWCA Annual Report should be available online at www.LAWWORKS.net, after April 21, 2003. Malcolm Behrnes, Dept. of Labor, MBehrnes@ldol.state.la.us, 1-800-201-3457.

Annual Report from the Dept. of Economic Development Office of Financial Institutions, B 30.1: yr./#, is not longer published, 1998 being the last one produced. There are no plans to produce one ever again, but if you need information on a particular bank you should go to FDIC.gov and if you need BIDCO or CAPCO information, go to their website, <http://www.OFI.state.la.us>. Call them for things you cannot get from the website, [225] 925-4660. This is a core depository item. The Advisory Council is revising the core collection.

LaDoc ES 150.7/2 has been used for 3 different titles over the years: *Visions*, *Books and Bytes*, and *SU Insider*, all from Southern University, Baton Rouge.

Visions, from the President's Office, ES 150.7/2: v/#. The only issues I could identify are vol. 1, no. 1 April 1980 and vol. 2, no. 1 May 1980.

(*Cade*) *Books and Bytes* vol. 3, no. 7 Winter 1994 - vol. 6, no. 1 Winter 1997, Winter 1999. *Books and Bytes* was also assigned ES 150.7/44 in 1997. Correct LaDoc number is ES 150.7/11: date.

SU Insider (nee Insider) from the Office of Publications and Electronic Media, has always been assigned ES 150.7/2: v/#!/date. This is the correct LaDoc number.
