

# TEACHING WITH PRIMARY SOURCES

AND THE

## LOUISIANA DIGITAL LIBRARY

*The LOUISiana Digital Library is Louisiana's doorway to the unique cultural and historical resources of Louisiana's libraries, archives, museums, and other cultural institutions.*

### The LOUISiana Digital Library

Louisiana Gumbo: A Recipe for Empowerment, funded by the Institute for Museum and Library Services, will digitize vintage jazz radio broadcasts, interviews and performances; musical instruments; Acadian textiles, costumes, flags, parade bulletins and posters; historical paintings and maps; photographs; documents; and science and technology artifacts held by the State Library of Louisiana, the Louisiana State Museum, and the Historic New Orleans Collection, and make them available via the web on the LOUISiana Digital Library. Accompanying standards-based instructional materials for K-12 teachers will be created and accessible via the LCET Making Connections website. The LOUISiana Gumbo project is sponsoring the workshops.

**Workshops are free and open to all K-12 educators. Earn six (6) CLUs.**

### WORKSHOP ON TEACHING WITH PRIMARY SOURCES AND USING THE LOUISIANA DIGITAL LIBRARY

**Primary Sources across the K-12 Curriculum: Integrating Primary Sources and Technology with Content Instruction.** This one-day workshop provides teachers with the knowledge and tools for integrating primary artifacts (paintings, documents, photography, research field notes, three-dimensional objects, lyrics, etc) with content instruction. Includes break-out sessions in which teachers construct artifact-rich, standards-based activities for use in K-12 math, science, art, language, and social studies classes. Participants earn six contact hour Continuing Learning Units (CLUs)
