

STEM Librarian / Assistant Librarian **12 month, Tenure – Track Position**

The Noel Memorial Library invites applications for the position of STEM Librarian, a full-time, 12-month tenure-track faculty position, reporting to the Chair of Research and Instruction Services. The ideal candidate should be innovative and student-centered. The STEM librarian will provide instruction in the areas of biology, chemistry, computer science, physics, and general sciences as related to academic programming at the university. As a faculty member, the individual engages in library and university governance and scholarship, which includes research, scholarly, and creative activities required for tenure and promotion.

Responsibilities

- Provide reference and research services in a variety of formats.
- Develop, deliver, and assess library instruction to students.
- Collaborate with faculty to implement information literacy initiatives for the sciences.
- Conduct subject-specific research consultations.
- Assist with the development and implementation of assessment initiatives.
- Participate in and represent the library in outreach activities.
- Participate in multidisciplinary teams, library governance, professional development activities, and university service.
- Performs library related duties as assigned.

Required Qualifications

- Master's degree from an ALA accredited program is required at time of appointment

Preferred Qualifications

- Undergraduate or graduate degree or equivalent work experience in a STEM field
- Experience with assessment to ensure continuous evaluation and improvement
- Experience or coursework with designing, promoting, and integrating library services and resources to support research, teaching, and learning of STEM disciplines
- Experience in delivering information literacy instruction

Salary: \$45,000

To apply for this position, a digital application packet including a CV, cover letter, and the names and contact information for at least three professional references should be sent with the subject line **"STEM Librarian Application"** to:

Laura Upshaw
Administrative Assistant to the Dean
Laura.Upshaw@LSUS.edu

Review of applications will begin on May 4, 2021 and continue until the position is filled.

LSUS is an Affirmative Action and Equal Opportunity Employer.

About Shreveport:

The Shreveport-Bossier City area offers an attractive quality of life, combining the conveniences of a big city with the warmth and hospitality of a smaller town. With a metropolitan population of more than 319,000, the Shreveport-Bossier City area offers a low cost of living, affordable housing, and many diverse dining and entertainment options. Exceptional outdoor recreation opportunities abound. Frequently called "A Sportsman's Paradise," the area's mild climate, various lakes and rivers, and beautiful parks create the perfect setting for jogging, bicycling, water skiing, jet skiing, hunting and fishing. For other recreational activities, Shreveport-Bossier is home to riverboat casinos and horse racing at Louisiana Downs. Additional entertainment venues include the CenturyLink Center which hosts numerous musical events, comedians, rodeos, children's events and ice skating productions, among others. Shreveport also hosts dozens of festivals with regional food and music, and offers regular theatrical productions, ballet performances, as well as performances by the Shreveport Symphony and the Shreveport Opera. Shreveport is also home to the American Rose Garden.
